OUR STORY BEHIND

Managed by Nina Hospitality and established in 2021, Nina Patisserie is a specialist to craft artisanal cakes and pastries made with the finest ingredients and seasonal specialties. Its cake and pastry collections quickly became very popular following the successful opening of its first shop in Nina Hotel Tsuen Wan West, and the brand has since expanded its presence to other locations, bringing its exquisite offerings to more customers across Hong Kong. Nina Patisserie shops are now available at multiple prime locations in the city, from Hong Kong Island to Kowloon and New Territories, along with pop-up locations for delightful shopping experiences. The shops are complemented by a 24/7 online shop that enables guests to order their favourite cakes and pastries anytime at their convenience at ninapatisserie.com.
